Med2Meet - virtual healthcare
cooperation day

2021-04-02 16:03:34

On April 21st, 2021 the Polish Agency for Enterprise Development will organise an international matchmaking event Med2Meet, focused on the topic of medical technologies.

The event will consist of scheduled **1:1 meetings** and is addressed to companies, R+D institutions and other stakeholders active in such areas, as:

- medical devices and equipment,
- personal protective equipment,
- orthopedics,
- dentistry,
- medical furniture,
- diagnostics etc.

This **free-of-charge** event will be a great opportunity to meet new business and technology partners, not only from Poland.

Deadline for registration is April 20th, but the sooner participants create their profiles, the better will be their visibility and opportunity to schedule interesting meetings.

More information, including online participant catalogue and registration, is available here:

<https://med2meet2021.b2match.io/>.

The event will be organised in the framework of the Polish Medical Devices Promotion Program, implemented by the Polish Agency for Enterprise Development, and supported by the Enterprise Europe Network.
